Clotie şirketinde Senior Frontend Developer  
İstanbul

## Özet

Developer, traveller and jr. blogger

## Deneyim

Clotie  
Senior Frontend Developer  
Eylül 2021 - Present (4 ay)  
İstanbul, Turkey

Clotie offers a brand new shopping experience to its users by offering an online personal styling service. It creates a unique customer experience by combining technology with the personal touches of experienced stylists and sends monthly outfits suitable for its users' style. Clotie primarily focuses on eliminating online and offline shopping problems by providing a personalized, plus accessible styling service for those who do not have time for shopping but still want to be stylish.
